

WEEK 6 KINDERGARTEN ACTIVITIES FOR HOME LEARNING

Please try to do at least one activity from each column each week.

A goal of 1 hour of learning a day for your child is optimal.

OBJECTIVES WE ARE WORKING ON THIS WEEK

- Form some recognizable letters
- Connect sounds and letters
- Using materials from the environment to explore, build and create
- Show, describe and compare quantities of things up to 10
- Sort objects based on a single attribute
- Participate in daily prayer

Literacy	Numeracy	Wellness	Religion	Play
<p>Research a country using a book or the internet (with parent permission).</p> <p>Write one fact you learned in your research and draw the flag for the country.</p>	<p>Trace your hand onto a piece of paper and cut it out. Go and measure 5 things in your home using the handprint as a measuring tool.</p> <p>How many handprints long are the items you chose?</p>	<p>Make a pinwheel.</p> <p>Put it outside in a flowerpot or blow on it yourself to make it spin!</p> <p>How to Make an Easy Pinwheel - Friday Fun Craft Projects</p>	<p>Write a letter and draw a picture for Jesus' mother, Mary.</p> <p>Tell her how loved she is and how important her son is to all of us.</p>	<p>Make a mailbox for your family! Put the mailbox somewhere in your house and encourage one another to deliver mail for each member of the family.</p>
<p>Draw at least 5 of your favourite foods. Now try to label them!</p> <p>Do you hear the beginning letter? How about the end sound? Do you hear the sounds in the middle?</p>	<p>Build a tower taller than you.</p> <p>Try to make it stable so it does not fall!</p>	<p>Make a beautiful bookmark and hide it in a book in your home for someone to find.</p>	<p>Spend time with a family member doing something that they love to do.</p>	<p>Play "What Time Is It Mr. Wolf?" with your family.</p>
<p>Mother's Day is Sunday, May 10th.</p> <p>Make a thank you card for a special caregiver in your life.</p> <p>Fold a piece of paper, draw a picture and be sure to use the words "Thank you for..."</p>	<p>Using items in your house to make a balance scale. Pick two items and put one on each end of the scale.</p> <p>Which is heavier? Which is lighter? Pick two new items and try again!</p>	<p>Write an affirmation on paper (ie: I am kind. I am strong. I am brave. etc...) and put it on your bathroom mirror. Repeat your affirmation to yourself each time you see it this week.</p> <p><small>(Inspired by @joysofkinder)</small></p>	<p>Make a 3D flower out of craft materials (i.e tissue paper, egg carton, pipe cleaners, etc.)</p> <p>Give your flower to someone special in your family.</p>	<p>Set up a pretend zoo in your house.</p> <p>Who works at a zoo? What do they do? What would you see at a zoo? What would you hear at the zoo?</p>
<p>Draw yourself as a superhero!</p> <p>What special powers do you have? What outfit will you wear?</p> <p>Label it with your superhero name.</p>	<p>Go into your kitchen and count how many of each fruit you have. Which fruit do you have the most of? Which do you have the least of? Now do it with vegetables.</p>	<p>Cuddle up in a blanket and read your favourite book with someone.</p>	<p>Say the Hail Mary with your family each morning this week.</p>	<p>Design and build a bridge.</p> <p>How long can you make it? How can you test how strong it is? How can you test how stable it is?</p>
