

WEEK 9 KINDERGARTEN ACTIVITIES FOR HOME LEARNING

Please try to do at least one activity from each column each week.

A goal of 1 hour of learning a day for your child is optimal.

OBJECTIVES WE ARE WORKING ON THIS WEEK

- Be able to draw, record or tell about ideas and experiences
- Being able to label and describe things in the environment
- Connect numbers to everyday life
- Using materials from the environment to explore, build and create
- Count to 10 forwards and backwards
- Use a variety of materials and tools to develop hand and finger strength

Literacy	Numeracy	Wellness	Religion	Play
<p>Make a grocery list for your family! Write words, draw pictures or cut out pictures in a flyer to create your list. Don't forget to list how many of each item you need. (Thank you @teaching_in_canada)</p>	<p>String Measurement</p> <p>Cut a piece of string that is the length of your arm. Use the string to find 3 things that are longer than your arm.</p>	<p>Nature Rubbings</p> <p>Go outside with a piece of paper and crayons. Place objects from nature under the paper and use your crayon to make a rubbing. How many different textures and patterns can you make?</p>	<p>Write or draw 3 things that you are grateful for in your 'Grateful Peoples' gratitude journal.</p>	<p>Build a tin foil boat! Put it into a sink of water and play with it. Now, add some weight to your boat using coins or Lego How many can your boat hold before it sinks? (Thanks for the inspiration @apinchofkindert!)</p>
<p>Go outside to observe an insect or look up an insect on the Internet (with parent permission) or in a book. Draw a picture of that insect and label the body parts.</p>	<p>Write the number for the age of each member of your family living with you. For ages under 20, can you represent that number with pictures or objects?</p>	<p>Draw a picture of your favourite place. Tell someone how being in that space makes you feel. Write the feeling word on your picture. Have your family tell you their favourite place and how it makes them feel.</p>	<p>May is the Month of Mary</p> <p>Pray the Hail Mary with your family.</p>	<p>Ice Rescue!</p> <p>Freeze some of your favourite small toys in ice cube trays. Once they are frozen, help the toys escape. Use your imagination!</p>
<p>Read a story with a family member.</p> <p>Identify the main characters. What do they look like? What do they act like? What do they feel?</p> <p>Draw a picture of the character.</p>	<p>Play Sock Toss! Bunch up some socks and set up a hamper. Try to throw your socks in the hamper. Every time you get them in, take one big step backwards. How many times can you get your socks in the basket?</p>	<p>Make a healthy snack for your family to eat.</p> <p>Can you write or draw the steps you took to make your snack?</p>	<p>You will probably remember this song from our class! Sing "This Little Light of Mine" with your family. Here is a video version: "This Little Light Of Mine"</p>	<p>Head outside and make some nature potions!</p> <p>What can you find to mix and to create some magical potions with?</p>
<p>Make a reading fort!</p> <p>Head inside your fort and read your favorite book. Have someone join you and read their favourite book.</p>	<p>Sing the song "5 Little Monkeys Jumping on the Bed." Can you act it out with objects or finger puppets?</p>	<p>Take part in our school Pyjama Day on Friday, May 29th! Stay cozy in your jammies for the day and be sure to send Mrs. C or Mrs. Clamp a picture!</p>	<p>Help your family by setting the table for supper and then clearing the table after supper.</p>	<p>Build an animal fort for an insect.</p> <p>Find a spot close by to see if any insects visit the fort.</p>
