

Over the past year, the rainbow has become  
a symbol of hope for many across the world.

In the book 'Share Your Rainbow', 18 artists drew their hope  
for the world using a rainbow as a collective theme. We wanted to share some  
hope with you so show you how grateful we are for all you do.  
Thank you for keeping us safe and working to take care of people  
all the time but especially in the time of this pandemic.
